

December 11, 2023

Dear OABA Dolphin Parents and Guardians,

Webster, TX's educational landscape is set to transform with the launch of the newest Odyssey Academy campus. By the 2024-2025 school year, the El Lago campus will move to its new site at the former Edgar A. Smith Family YMCA on Old Galveston Road. Construction will commence shortly to prepare for student enrollment in August 2024. The Webster campus will educate students from prekindergarten to 8th grade.

Dr. Jennifer Goodman, Superintendent of Odyssey Academy, expresses enthusiasm about the move, stating, "We aim to provide high-quality learning and work environments for our students and staff within their local communities. This new location accomplishes these goals, allowing us to offer a stellar education to both existing El Lago students and new students from the Webster and Pasadena areas."

Odyssey Academy is renowned for its innovative curriculum and programs. The Webster campus will offer a full-day prekindergarten 3 and 4 program for eligible students, feature a swim team, and a range of extracurricular activities to enrich the student experience. Additionally, the implementation of Franklin Covey's Leader in Me and 7 Habits programs will enhance our focus on leadership skills. These programs empower students with 21st-century leadership and life skills, fostering a culture of student empowerment and the belief that every child has genius and leadership potential. Furthermore, our curriculum will highlight S.T.E.A.M. subjects, nurturing critical thinking and problem-solving skills crucial for success in the 21st century.

If you plan to join us at the new location, please RSVP now to secure a seat. Open enrollment officially begins on February 5, 2024. For information on enrollment, visit www.odyssey-academy.com/enroll or www.odyssey-academy.com/webster

Kindest Regards,

Ronnetta McNair

Campus Principal
